

Conservation Solutions

ENVR 102, Fall 2018

Interested in working in environmental science or education, *or both*?

Want to learn about local natural history, human history & resource management at the Dawson Los Monos Canyon Reserve ([UCSD NRS](#))?

Apply your skills & knowledge to develop & implement an environmental science project for local high school students at Dawson Reserve!

Wednesdays, 12 – 2:50 PM
Open to all majors

Fulfills an upper-division elective for
Environmental Science minor
Urban Studies & Planning major
